

Meeting with Dir (HR) on 6th Sep'22

Dear IOCIans,

We take pleasure in advising all our retiree friends that on 6th Sep'22, the Tuesday, office bearers of IROWA had a very cordial meeting with Dir HR. While from our side S/Shri Vishnu Agarwal, A K Rauniar, R K Gupta, K M Chaudhary and K K Verma participated, Mr R K Mohapatra, Dir (HR) and Mr S G Bhagwat, ED I/C (HR) were present from management side. The meeting was held in a very informal atmosphere in the chamber of Dir HR itself. Dir HR as well as ED I/C (HR) expressed their pleasure and congratulated the new team of IROWA.

As we had already forwarded the photos and the bio data of all of us to Dir HR in advance, no time was lost in the introduction and right from start he and most of us chatted about our fond memories during the journey with Indian Oil. A lot of interesting episodes out of the memory lane, expressed by all, made the atmosphere absolutely light and free.

During this meeting we had no agenda for discussion except the introduction of the new office bearers and pay our respects to IOC management, no discussions were held on any of the pain points we all are suffering from.

The full one-hour informal meeting ended in a very Joyous and happy mood with the clear understanding that we shall shortly have our business meeting. In view of the constraint of their time slots, Dir (HR) mentioned that he may call us for meeting without much notice or may be with a very short notice. We all welcomed his sincere intentions to help us.

Regards
